

DEVELOPING SPECIALIST INVESTIGATORS (FOREIGN COMPONENT)

Under this part of the component of Training Intervention Scheme of BPR&D, it has been decided that toppers of each course (12 topics) conducted in India under 'Developing Specialist Investigators' will be sent for advance training abroad in Developed countries subject to not more than 150 Police Officers per year.

2. The BPR&D in cooperation with French, Canada & Singapore Embassies, New Delhi organized 12 Courses abroad and so far trained 158 Police Officers in the following fields (Courses) between 2014 - 2020 :-

Country	Foreign Course	Course Conducted
France	Anti - Human Trafficking Course	01
	Traffic Management & Accident Investigation Course	02
	Forensic Techniques and Investigation	03
Canada	Internet as an Intelligence Tool (INTINT)	01
	Financial Investigation (FINANCE)	01
Singapore	Crime Scene Management and Forensic Science	04

3. These foreign trained officers are further implementing the best techniques / practice while performing their duties in the field or while teaching/ lectures etc. for training of the trainers in the state police training institutes.
